The Online Meeting Room

- Mute or unmute your line
- Turn on your video camera
- Share your desktop or upload a document
- Open the chat window and send a message by text
Expand Your Screen, Pin Video, Raise Your Hand

**Expand** hides the lower caller tiles.

**Full Screen** makes the main video tile full screen.

**Pin Video** lets you choose the video that displays in the main tile on your screen. When you don’t select “Pin Video”, it automatically displays the active speaker and toggles between who is speaking.

**Raise Your Hand** if the moderator has muted your line and you’d like to speak.

Note: Press the ‘Escape’ key to exit full screen mode.
Click “SHARE” in the black menu bar in your Online Meeting Room and click “Share screen.”

Add the FreeConference screen sharing extension when prompted.

From the pop-up screen, choose what you’d like to share with everyone else in the Online Meeting Room. Click “Share” when you’re done.

Note: If you are sharing a powerpoint, share your entire screen.
Document Sharing allows you to instantly upload documents for everyone else to download. Once it's been uploaded, it can also be presented through the Online Meeting Room.

TO UPLOAD: Click “SHARE” in the black menu bar on the top and click “Upload document” OR you can simply drag and drop the file anywhere in the Online Meeting Room.

TO PRESENT: After you have uploaded the document, click on the “Present” button in the chat window.
